

Los Angeles Campus Human Participants Protection Committee  
Approval Notice

Date: December 11, 2008

Approval Number: #0-575

Principal Investigator: Kimberly Grace

Faculty Supervisor: Linda Beckman, Ph.D.

Project Title: *Examining the relationship between attachment style and stress level, and quality of life*

The Los Angeles campus Human Participants Protection Committee has reviewed the proposed use of human participants on the project identified above and has determined that the rights and welfare of human participants are adequately protected. The informed consent of participants will be obtained through a written consent form to be signed by the subject (*unless otherwise noted below*).

Written Consent Waived

Secondary Analysis of Pre-collected Data

Consent to be obtained by:

Introductory Letter

Oral Statement

If modifications are made in the approved project, it is the investigator's responsibility to notify the Human Participants Protection Committee.

**HPPC Approval Expires: 12/12/2009.** If this research study continues beyond the approval period, you must request re-approval of this study prior to the expiration date.
